

Dear Clerk of Court, 10-13-2023

About two months ago or more I sent two 28 USC 2241 habeas corpus petitions to the US Courthouse at 85 Broad St. in Charleston. One of them was against the President of Trident Technical College and the other the Secretary of the Army National Guard.

I have yet to receive ANY orders, case numbers, and/or information of their receipt. Please check on this matter for me. I am very concerned!

Respectfully,

Patrick R. McIntosh
